SOUR CREAM

Made in
LATVIA

Here's real French sour cream.
Yes, French!
The Normandy recipe sour cream
is creamier, with a milder taste.
How is it? Just give it a try!

Baltais Dairy products

Baltais Eko is the highest quality ecological dairy products produced in Latvia from milk, fruits and berries obtained from local organic farms. Without artificial colors, flavorings and preservatives.

Key facts

Company	JSC Tukuma Piens
Brand	Baltais Product Dairy products
Established	1913
Turnover	88 million EUR (2023)
Employees	250
Export	Germany, United Kingdom, Sweden, Finland, Poland, Belgium, Kuwait, USA, Canada, Moldova, Azerbaijan, Ukraine, Israel, Bulgaria, Australia, New Zealand, Norway, Netherlands, Cyprus, Armenia, Greece and Saudi Arabia.

About the company

Tukuma Piens was founded in 1913 and they are one of **the biggest fresh dairy product producers** in Latvia and the Baltic States. The company is better know with the **brand name – Baltais**.

Each day about **220 tons of milk** from Latvian farmers go to Tukuma Piens. The company specialises in fresh product production and its **range has about 250 items**. The **product groups** consist of yogurt, yogurt drinks, milk, kefir, butter, sour cream, curd and curd snacks, white cheese and cream cheese. Not only that - Tukuma Piens also offers several kind of ready made meals - pancakes, soups and mains as well as delicious bakery - biscuits, eclairs and more.

Over the years Tukuma Piens has developed several sub-brands: **Skyr, Cream, Greek yogurt, Balance and others**. They each have their individual characteristics. EKO is brand for organic products. Cream yogurts are Lactose free Premium Class dessert.
